## Club TT Best All Rounder Championship Events

**Please note that ALL 25 mile TT's MUST be pre-entered to Allan Renyard no later than the Thursday before the event.**

Seniors, Espoirs and Ladies: Best two 10 mile time trials, best two 25 mile time trials, best 50 mile time trial.

Average speed from each ride is taken and added together, then this figure is divided by 5 to find the Best All Rounder.

Veterans and Grand Vets: Same distances, but they have to beat their bronze standard target speed by the largest amount to win, otherwise same as above. (Target speed is calculated from the target time).

Juniors: Best two 10 mile time trials, best two 25 mile time trials.

Average speed from each ride is taken and added together, then this figure is divided by 4 to find the Best All Rounder.

Under 16: Best two 5 mile time trials, best two 10 mile time trials.

Average speed from each ride is taken and added together, then this figure is divided by 4 to find the Best All Rounder.

26/09/2010	Sunday	HC	Le Val des Terres	Havelet	08:00	12 up	4 Trophies U14/U16/J/S

## Standards Competition

Riders have to beat their bronze standard time by the largest possible margin in each event.

They are then placed in each event on the corrected time and are given points.

The rider with the highest total from his/her best five scores wins.

<u>Date</u>	<u>Day</u>	<u>Event Type</u>	<u>Event</u>	<u>Venue</u>	<u>Time</u>	<u>Category</u>	<u>Notes</u>

Notes:

The start time shown is when the event is due to start, the close of race registration is no later than 20 minutes before the scheduled start time.

Many riders turn up well before to allow warm up time.

A time trial is an event where riders start at 1 minute intervals, or some times at 30 sec intervals. A TT is known as the race of truth, it is you against the clock, no pacing of other riders is allowed.

All LoG riders will be in division 3 for road races and will not be racing against div 1 or 2, your race distance is that shown and will be shorter than for div 1 and 2 and will start a few minutes after div 1 and 2.

The Road Crit races are at Delancey Park and the LoG race will be a separate event of no more than 20 minutes. This form of racing is great fun and requires a good understanding of your own bike handling limits and of those around you.

Competitors can enter all 12 events with their best 8 scores counting. 30 points will be awarded to first position in the race, 28 for 2nd, with 2 point gaps down to 10, then 1 point gaps, with a minimum 1 point for finishing. The rider with the highest score from 8 events will win the league. Road bikes only will be permitted for time trials, this includes no clip on bars. We will be doing TT's the way we did 20 years ago.

This will ensure no advantage to those with TT bikes.

As a full member of the GVC you will also be eligible to enter any other GVC event whether it be a TT (with a TT bike if you have one), a road race or an MTB race....there is plenty to choose from.

**Under 16 Events (If you are 14, but under 16, you can ride these events)**
